Plaquemines Parish Government
Renovation of Council Building 203
PPG Project No. 15-02-03
HMGP No. FEMA DR 1603-075-0003
CDBG OCD/DR Project No. IL TR00223**

To whom it may concern:

All South Consulting Engineers, LLC is the Professional of Record for the design and construction oversight of the above referenced project. The project entailed complete renovation of a 23,000 square foot municipal office building for Plaquemines Parish Government. Project included interior and exterior demolition down to the building framing, reconstruction of the building façade and all new interior including a 150 seat council chamber. The total construction cost for the project was \$4,718,175.57.

CDW Services, LLC was the successful low bidder and was awarded the contract in February 2016. Throughout the project, CDW Services, LLC was professional, efficient and responsive. Their personnel, attention to detail and work product made this project a huge success.

All South Consulting Engineers, LLC has had the opportunity to work with CDW Services, LLC on multiple construction projects, and we have been pleased with the results on all of the projects. We would recommend CDW Services, LLC to anyone looking to procure a qualified contractor.

If you have any questions or are in need any additional information, feel free to call.

Sincerely,

All South Consulting Engineers, LLC
