To whom it may concern:

Our office is pleased to recommend the construction services of C.D.W. Services LLC, as General Contractors. Yeates and Yeates Architects, LLC and C.D.W. Services LLC successfully worked together on the recent renovations to the City of New Orleans Gernon Brown Community Center. Throughout this project, CDW worked to move the project forward and did so with professionalism and in a timely manner.

Mr. Christopher D. Walker, President of C.D.W. Services LLC and his entire staff worked diligently to coordinate the work. C.D.W. Services LLC provided quality workmanship and also kept the job site neat and orderly throughout the process. The end result was a project that was completed timely and in accordance with the construction documents. The City of New Orleans now has a beautifully renovation recreational center that is fully operational – completed on time and within budget.

Yeates and Yeates Architects, LLC looks forward to working with C.D.W. Services LLC on future projects.

Sincerely,
